**HARSH SINGH**  
*President*  
harsh@umich.edu

Harsh is a second-year MBA student and graduated from Wabash College in 2001 with a B.A. in Economics and Mathematics. While at Wabash, Harsh served as President of the Student Body and the student delegate to the Board of Trustees. After graduating from Wabash, Harsh entered Deloitte Consulting's Business Analyst Program in the Strategy & Operations Group. His focus was primarily within the healthcare industry as he consulted the largest medical technology, pharmaceutical, and healthcare provider companies in the U.S. After two years Harsh was promoted to Consultant and was one of twelve selected globally to Deloitte's Business Analyst Action Committee. Harsh helped manage various project teams in his role as Consultant and worked upon several major deals. His experience eventually led to his appointment to train others on pharmaceutical valuation methodologies and price modeling. This summer Harsh is interning in Citigroup's Global Corporate and Investment Bank in New York. He interviewed with most of the major banks on campus and is happy to discuss his experiences with students interested in Investment Banking. Harsh is also a career counselor and is more than happy to help students interested in investment banking and other areas of Finance.

**JASON GODLEY**  
*VP - Investment Banking*  
jgodley@umich.edu

Jason is a second-year MBA student focusing on Finance and Corporate Strategy. After graduating from the University of Wyoming with a degree in accounting and international business, Jason started his career as an Associate with PricewaterhouseCoopers (PwC) in Denver. In that role, he audited the financial statements of both private and publicly held companies and gained extensive IPO and SEC reporting experience. Jason then transferred to Paris, France to join PwC's Global Capital Markets Group where he advised non-U.S. entities with their U.S.-bound capital raising activities. This summer, he is interning in the Global Corporate and Investment Banking division at Citigroup. Jason is also a CPA and a Career Counselor and is more than happy to discuss careers in Corporate Finance, Investment Banking, and Public Accounting. In his spare time, Jason enjoys travel, recreational calf and steer roping, and skiing.

**ANDREW KLEEMAN**  
*VP – Corporate Finance*  
atkleem@umich.edu

Andrew is a second-year MBA student focusing on Finance and Corporate Strategy. He graduated from the United States Naval Academy in 1997 with a B.S. in Systems Engineering. Upon graduation Andrew entered the submarine service, serving for three years on the USS Salt Lake City (SSN-716) out of San Diego, California. He then transferred to Charleston, South Carolina where he was a supervisor in the nuclear training pipeline. He most recently served as an Assistant Professor of Naval Science at the University of Michigan NROTC Unit. He is interning this summer at Massachusetts Mutual Life Insurance Company in Springfield, Massachusetts in a corporate finance function. Andrew spent his first two years at the business school in the evening program, and is willing to counsel other students regarding the shift to the full time program, corporate finance, and the internship search.

---

**KAGAN SEYMEENOGLU**  
*VP – Corporate Finance*  
kagans@umich.edu

Kagan is a second-year MBA student focusing on Finance. He graduated from Bilkent University in 1999 with a B.Sc. degree in Industrial Engineering. Upon graduation, he joined Ford Motor Company where he spent five years in marketing, brand finance, and business development. He has practical experience in new market entry, new product launch, market assessment, segmentation, competitive analysis, and price positioning as well as business case development, budgeting, forecasting, conducting financial models, and company acquisition evaluations. Kagan interviewed with banks and most consulting firms in his first year at Ross. This summer, he is interning at JPMorgan Chase as a Finance Associate in New York. Kagan is a career counselor and is willing to help MBA and BBA students who are interested in corporate finance or consulting. He can also provide insight about how to manage the recruitment process as an international student.

---

**ASHISH PABALKAR**  
*VP – Sales and Trading*  
ashvp@umich.edu

Ashish is a second-year MBA student and grew up in Mumbai, India where he obtained a Bachelor's in Mechanical Engineering from the University of Mumbai. He obtained a scholarship to pursue a Master's degree in Engineering from The Ohio State University. Upon completion, Ashish worked in Sales within the automotive industry in Detroit and was steadily promoted from Applications Engineer to National Account Manager, managing sales across six states. Six months prior to entering business school, he tried his hand at an engineering services outsourcing business. This summer, Ashish is working with Lehman Brothers in New York, rotating through several desks in Equities and Fixed Income. Ashish is an avid golfer and a yoga enthusiast in his spare time. He will also be appearing for Level I of the CFA exam in December 2005.

---

**JANELLE SAMPLES**  
*VP – Private Wealth Management*  
samplesj@umich.edu

Janelle is a second-year MBA student focusing on Finance. She has a Bachelor's Degree in Music Performance from DePaul University and a Master's Degree in Music Performance from the Cleveland Institute of Music. For nine years, Janelle was a violinist with the Kansas City Symphony, a full-time orchestra that presented 120 concerts per year. For four years she served as a member of the orchestra's Finance Committee and Board of Trustees, and also spent three years as Chair of the Orchestra Committee, serving as Union Steward. Janelle also managed her own stock portfolio, enjoying a 17% return annually over 12 years. Janelle is spending the summer as an Associate with JPMorgan in the Private Bank. Janelle is happy to help students with an interest in private wealth management or sales & trading.

**DONALD F. NEIMAN II (D.J.)**  
*VP – Equity Research*  
dneiman@umich.edu

D.J. is a second-year MBA student focusing on Finance and Corporate Strategy. He graduated from Miami University in 1998 with B.S. in Finance. Prior to attending business school, D.J. worked in the investment management industry. He began his career at Scudder Investments and most recently was employed as an accounting analyst in a start-up mutual fund group at William Blair & Company in Chicago. He holds the Chartered Financial Analyst (CFA) designation, the NASD Series 7 and 63 licenses and is a member of the CFA Institute and the Investment Analyst Society of Chicago. This summer, D.J. will be returning to William Blair as an associate in their sell-side Equity Research Department. He interviewed with both buy-side and sell-side firms (on and off campus) and looks forward to assisting students with career interests in equity research and investment management.

---

**RAGHAV BAHL**  
*VP – International*  
rbahl@umich.edu

Raghav is a second-year MBA student focusing on Finance and Corporate Strategy. He graduated from the University of Michigan in 1999 with a degree in Electrical Engineering and joined American Management Systems as an information technology consultant in the State and Local Solutions group in Fairfax, Virginia. Raghav primarily worked on the design and development of systems for the state departments of taxation and revenue. Furthermore, he founded and managed a textile export business in New Delhi, India, prior to joining the Ross School of Business. This summer, Raghav is interning as an investment banking associate in the Mergers and Acquisitions group at UBS Investment Bank. He is a member of the admissions committee as well and is happy to discuss his experiences in Consulting, Investment Banking and General Management with incoming students.

---

**VISHAAL RANA**  
*VP – Education*  
vrana@umich.edu

Vishaal is a second-year MBA student focusing on Finance and International Development. He graduated from Northwestern University in 2000 with a B.A. in Economics and Political Science. Following college, Vishaal was as a management consultant with A.T. Kearney, focusing primarily on the consumer product/retail sector. Additionally, Vishaal has worked significantly with innovative non-profits and NGO's, including VISIONS Worldwide, D2D Fund, and Acumen Fund. This summer, Vishaal is interning as an investment banking associate at Goldman Sachs. He has interviewed with all the major Wall Street banks and looks forward to speaking with 1st year students about both the investment banking and general career search process.

---

**VINCENT LEUNG**  
*VP – Operations*  
vtl@umich.edu

Vincent is a second year MBA student focusing on Finance and Corporate Strategy. After graduating from Dartmouth College in 2000 with an A.B. in Economics, he worked for four years as an analyst and associate in Merrill Lynch's Debt New Product Development Group in New York, where he executed over \$17 billion in preferred stock offerings on behalf of closed-end funds, participated in the development of structured debt products, and created complex models incorporating tax and accounting considerations. Vincent also has extensive experience as a mentor and is more than happy to speak with anyone interested in investment banking or sales and trading. This summer, he is interning in the M&A investment banking group at KeyBanc Capital Markets in Cleveland. In addition to personal investing, which he has actively pursued since the age of 11, Vincent enjoys classical/jazz music, travel, and photography.
