GET YOUR ROSS LOGIN

You may have already set up your login to access your admission decision in Wolverine Access. If you have not yet done so, there are two methods for logging in. Please follow the set of instructions below that apply to you.

For **APPLICANTS NEW TO THE UNIVERSITY**:

**Create a secure login using a UM Friend Account**

1. Access the [U of M Request a Friend Account](https://www.michigan.edu) website, enter the email address you provided in your admissions application.
2. Click “Request.”
3. You will then see a confirmation message letting you know an email message has been sent to the account you provided. The email message contains an account creation link.
4. Check your email account (address you provided on your application). There will be an email from friend-nonreply@umich.edu.
5. Open email and click on “Create Friend Account” link.
6. Enter the email address you provided in your admissions application.
7. Create a password.
8. Click “Set Password,” and you will receive an automatic response letting you know your friend account has been created.
9. Once you have set up your friend account you will see the following screen each time you log in. Note: Your login ID is the email address you used to create the account.
